**Only Education Can Show Both Halves of Humanity the Vital Monumental Foundational and Paramount Necessity to Unite and Fight to Free the Whole of Humanity at Liberty and Equality:**

Only Universal Education Higher Education and Life-Long Learning Can Truly Empower and Enfranchise All Women and All Men All of Humanity That Unfortunately Can Not and Will Not Happen So Long Capitalism Keeps Education Gated Away:

There is no other way to advance human progress and take forward the human condition without education for without education we are literally stripped off all our senses, including, intuition and with it are strangled ingenuity, creativity and imagination, which help us make sense of who and what we are and where, how and why we are and we are lost in the dark and made utterly incapable so that it is easier for anyone to dictate and herd us into wherever they want us to be herded to and we are forced to accept whatever they throw at us as our lot: so that we die in no education, we die in hunger, malnutrition, in illnessess without medicare, in desperate and abject poverty, without jobs, without homes or hopes and they tell us this is all quite the natural order of things. And we accept it because we are told to do so. Education is, therefore, The First Pen to Pen The Rise: Rise of the Human Soul to bring about change: Education is The First Promethean Poem, The First Orphean Music, The First Declaration of Humanity that it is not okay, that is not the natural order of things for humanitiy to make the major part of itself die in agony, hunger and absolute misery. Education is The Rise: The Call to The Light: Left Image: BMA: Right Image: Georgia State University: Let There Be Light: The Humanion

Humanity Both the Woman and the Man Together Must Therefore Rise Towards Humanics Which Shall Liberate All Humanity Into Liberty and Equality For All Times to Seek and Achieve Building-Block Foundational Human Rights For All Humanity of This World That Shall Make It an Enforceable Human Right That Every Person of All Humanity Has a Right to Free Degree Level Education and Life-Long Learning: That Is the Path Not Only to Liberate All Women Into Equality and Liberty But Also All Humanity: Universal Education Higher Education and Life-Long Learning:

Who am I to tolerate you, for you are not here by my leave nor am I by yours: Agreed? Now, let us begin. And how do you begin? By looking at the mirror. And what do you see? Don't you see yourself? For think, without each other, neither of us has a mirror to validate each other's existence nor do we have the means to celebrate our being alive, our existence. Now, do you celebrate the fact that we have each other and we exist in the same sphere of existential necessity? The Humanion: We are One

We Celebrate the Half of Humanity The Woman Today With the Vision That Soon Humanity Shall Become a Unity of Two Equal and Equitable Hemispheres of One Unity of Humanity Made of the Woman and the Man: Together This Humanity Naturale Shall Unfold an Infinity That We Can Not Quite Yet Fathom: That Humanity Being An Invincible Force of Infinite Goodness Unfolding Itself: Humanics Celebrates the Woman of This Earth Because It Is The Woman Who Has Taught Us How to Use Our Hearts: How to Use Our Brains: How to Use Our Wills and How to Use the Pen: It Is The Woman Who Was a Juliet Who Was a Layla Who Was an Isolde:

Or Who Was a Mother Teresa Who Was a Sojourner Truth Who Was a Jane Austen Who Was a Charlotte Bronte Who Was a Maria Sklodowska Currie Who Was A Joan of Arc Who Was a Maria

Agnesi Who Was a Laura Bassi Who Was a Mary Nightingale Who Was a Mary Jane Seacole Who Was a Hannah Arendt Who Was a Larin Paraske Who Was an Aino Sibelius Who Was the Primal Mother Eve: Dare A Man Dare Any Man to Stand Up to Deny These Truths:

I Am the Way I Am Because My Mother Taught Me When I Could Barely Think: You Can Not Do That Work by Force Which Ought to Be Done by Mechanism: My Entire Existence Is the Proof of That Teaching That Shaped Me That Sustains My Existence: In Other Words I Have Become Humanics Because My Mother's One Sentence Has Grown Into a School of Philosophy That Can Be

Summarised as a New Branch of Science That Shows the Architectonics, Architectures, Mechanisms, Systems and Processes of How to Get Humanity to Become and Remain Humanity Naturale at Liberty and At Equality Under the Rule of Law in Natural Justice Being Doing and Becoming an Infinity Unfolding Itself on the Path of Eternal Learning Development and Progression: Read Mayaniverse at <https://thehumanion.com/Mayaniverse.htm> ||

### Lit and Light As Butterflies Do

As you like it but how yet much do you not make ado nor  
Much do you speak for silence is emerald green as measure  
Is for measure yet treasure do you not that what's only fools  
Gold as Othello speaks out Desdemona as Hamlet questions

Why seek not Richard the Third nor Lady Macbeth for Love's  
Labours are never lost if you loved true if love splits your soul  
As a lightning does the dark heavens in a stormy night and if  
Ophelia-wonder you seek never keep a ledger but be love's slate

Use not old coins or words but make your own to say or do  
Walk not the travelled paths nor climb easy mountain-tops  
What's worth of twelfth night's dreams unless you've dreamt

What would Juliet say what would Romeo do for the lamp is lit  
Of their soul that simply won't blow in the market you won't find  
Love to buy but live in your soul as butterflies do lit and light

A package arrived for me today:  
no bigger than an eggcup, or a Christmas bauble;  
it rattled in my mailbox, among bills and bank statements.

In the palm of my hand, it felt light, slightly damp -  
brown and crinkled, like a teabag; the leaves inside  
arranged to tell some strange fortune.

Inside, when I peeled back the paper, breathless, was  
your locket; the one I remember from childhood -  
the talisman that hung at your throat, with an air of witchcraft

about it. Back then, I remember trading whispers under quilts  
in your spare room, lights out, with my sister;  
about this locket - this strange, hollow heart, its properties.

She - always a little afraid of you - supposed it was laced  
with poison; some crushed black leaf from the garden,  
some powdered bone, some explosive.

To me, it was akin to a crucifix; a small piece of God, captive.  
Inside it was a prayer, a spell to ward against death.  
Inside it was a lock of coarse hair from Jesus' donkey.

And so, this morning - with eyes blurred by tears I thought  
I'd long since exorcised with acts of closure -  
I undid the tiny clasp, swung your heart open on its hinge.

And inside, so logically, there was almost nothing -  
only a tiny, cut-out photo, in monochrome:  
my sister and I, small and sunlit, sitting in your lap.

**This Is the Body of Work, by Munayem Mayenin, That Has Brought Into Existence the Philosophy and Vision of Humanics**

**Dehumanisation of Humanity: Volume One: Published: July: 2007: 978-1-4477-1330-2**

Mayenin worked and developed the very critique of capitalism and Marxism while at university in which he had envisioned the world's future in humanics for humanity to reach and achieve liberty and equality for all humanity, which capitalism has continually slaughtered and Marxism failed desperately, even, to understand, let alone, to know or show how to seek and achieve them. Some of these works were published in publications in the early 00s and the volume was published as a book in 2007. There are three other volumes of this planned work, yet to be published.

**Humanics The Foundation: Volume One: Published: December 06: 2017: ISBN: 978-0-244-34575-4**

This piece of work elaborated the philosophy of humanics and presented the idea of human enterprise and how it works to enable humanity to conduct the human economical endeavours in humanics.

**Humanics The Humanicsonomics: Volume Two: Published: June 12: 2018: ISBN: 978-0-244-48334-0**

This is the political economics or humanicsonomics of humanics in human enterprise. This volume presents the political economics of humanics and envisioned world's future as two distinct phases: pre-humanical or Kapitalawnomics phase in which capitalism is saved from pseudonomics and brought under the absolute and complete control and power of the rule of law so to make it serve the people at all times and not the rich and through this phase, humanity brings into existence the humanical Building-Block Foundational Human Rights and end capitalism's Poverty Paradigm, that causes all of the high-cruelties, high-brutalities and high-barbarities, that are inflicted on the vast number of humanity on this earth. Further to this, this work advances the system and mechanism of human enterprise and envisioned at the end of the development of Kapitalawnomics human societies will have developed enough to be able and equipped to try and seek to bring into existence humanical societies, that will begin to form a grid of humanical societies into a universal humanical civilisation on earth.

**The Humanics Elleesium Declaration 2019: The Humanicsxian Manifesto: Published: April 06: 2019: ISBN: 978-0-244-76474-6**

This short piece of work nano-summarised the entire body of Munayem Mayenin's works on humanics. This calls on the working humanity of the world to rise, organise and united under new and humanical political forces, parties and organisations to seek and try to bring about a humanical world movement to lead humanity to equality and liberty.

**Humanics The Humanicsovics: Volume Three: To Be Published Later This Year**

This volume presents the political philosophy of humanics and the means to deliver that political philosophy by and through humanicsovics, humanical direct form of democracy without party politics whereby each and every individual human being becomes his:her own High Representative and they all run their society's human affairs management together as individuals, working together as scientists and mathematicians without any political parties.

**Alphansum Sovereign Necessarius: Published April 14: 2020: ISBN: 978-0-244-58241-8**

Although, this large volume is of metaphysical work, it has brought the whole humanical universal view in a harmonious outlook, unifying all expressions, fields, areas and arenas of human existence and in this process this work elvisioned the coming into existence the new branches of science, that has already been mentioned.

**Laranska The Anatomy of Fear: Novel: Published: January 2009: ISBN: 978-1-4477-1426-2**

In his other major bodies of works, that are yet to be published Mayenin has worked on further in elaborating the psychology and social psychology of the zoohumanity, that capitalism and all the dehumanisations it has inflicted on humanity through its enforcement of inequality and the absence of liberty. These as yet unpublished works include: Psychology of Zoohuman, Humanical Jurisprudence, Sociology of Evil, Economics of Squalors: The High-Cruelties High-Brutalities and High-Barbarities of Capitalism, Humanical Moral Science, Social Morality Or Good State, Humanical Civilisation: A Universal Grid of Humanical Societies and Colossus Complexus: Eternally Learning Humanity.

The world has, apparently, accepted that Capitalism is the High Pinnacle of All Systems and, some still dream that Marxism will rescue humanity from this Killing Mechanism Capitalism, we refuse to subscribe to that. Humanics is the Post-Marxist and Post-Capitalistic World View of What Humanity can be and what it can do and how infinitely better a human condition can be created in a Humanical Society, by eradicating ownership and money and by establishing belongingship in human enterprise, setting all humans at liberty and equality under the rule of law in natural justice with a direct form of democracy, humanics calls it, Humanicsovics, in which, each human soul is her:his own High Representative. In this, Humanics is the Minority Vision and we do not and can not expect millions and billions of people supporting our vision today but We Whole-Heartedly Believe That ONE DAY This Humanity Shall BE ALL HUMANICAL: By When: We Know Not But This: That Being a Monstrous Killing Mechanism Capitalism IS Unsustainable: The World Shall Change One Day and Every Change Begins with an Idea, with a Vision:

We invite you to Envision the Vision and Philosophy of Humanics and Support The Humanion, The Humanion Portable Daily, The Humanion Larnaarch and The Foundation to Keep Taking Forward the Vision and Philosophy of Humanics, to Keep on Challenging Capitalism's Poverty Paradigm, for an Infinitely Better Humanity in an Infinitely Better Human Condition for All Humanity Across Mother Earth. Thank You.

There can not be any sustainability until and unless we take the view that sustainability comes as philosophical, political philosophical, political economical, ethical, moral, sociological, educational, jurisprudential, socio-cultural and ecological and humanical spiritual so that we are able to create a sustainable 'architecture' of existence in a clean, green, circular and sustainable political economics, that underpins all forms and expressions of sustainability and when such an 'architecture' exists within the Larin Paraske Maxim or Oath: Do No Harm to Anyone or Anything: all things and all living forms must have equitable status in the sphere of all existence or all life on earth, with an emphasis on the Universana. Because humanity does not just exist on earth but it does so in the Sunnara, in the Home Bay of the Milky Way Galaxy in the vast expanse of the

Universe, our home Universana. Dear Reader, we are on the path of humanics, please, tell the world and world humanity that humanics has arrived on earth from ‘the without of human imagination’, learning, questioning and thoughts, gained from the eternal walks of this human soul’s eternal journey on the eternal path of eternal learning, with its humanical metaphysics, humanical philosophy as natural science, humanical psychology, humanical political philosophy, humanical political economics, humanical jurisprudence, humanical sociology, humanical moral science and humanical arealism. For capitalism has created global warming and climate change and wracked the earth with environmental degradations and pollutions in all spheres, where bio-diversity is getting lost at an alarming rate as the earth keeps on being heated up. Humanity is devastated by capitalism’s poverty-paradigm, delivering all its high-cruelties, high-brutalities and high-barbarities. This is why it is paramount that that we speak up and out and try our hardest to inspire faith, hope, determination and resolution among all humanity of this world, women and men, that we shall not just accept this ‘sentence of doom’, that capitalism’s mindless consumerism, infinite greed of infinite profiteering, decadent vogueism and venomous voyeurism, orchestrated by the Distorteddia have brought us and, yet, that we can, we should, we ought, we must keep on trying: ‘to seek to try: to do: to change: to make better the human condition’ and we do so as one humanity, as women and men, working together as one, in unison with the same aim, same goal, same objective: to get all humanity to liberty, equality, fairness and justice in the rule of law in natural justice, with a purpose and meaning to our existence, where we all humanity, with our all-unity and all-diversity, exist as one humanity naturale on one Mother Earth, in one Sunnara, in one Home Bay Milky Way Galaxy in the one Universana with the humanical foundation of faith: humanity is an infinity unfolding itself, in which, we are all-for-one and one-for-all.
