|| Thursday: October 22: 2020 || á. The Humanion's regular readers know this fact that there is nothing like The Humanion in the entire world newspapers, press and media publications and it is the true Voice of the Whole World, the Whole Mother Earth, the Whole Mother Universana and the Whole of Humanity and it does not do clichés-journalism, it does not submissively accept the Distorteddia Lordship and pay homage to them. The Humanion does not do taughtologies and it does not do hollow, shallow, puddle-paddling, that could get meddled, herded and manipulated to forget everything important and run to look, and waste everything in the process, whether the Eagle Has Really Run Away With the Houses of Parliament while vital, monumental, foundational, seismic and existential problems and issues are left out. This is because The Humanion has taken a vision-view across the Mother Earth, the Universe or the whole of the Mother Universana, which to all others, is an entity, that does not exist or that only agencies like NASA and ESA and the like should ponder about it and, at the same time, this vision-view enables The Humanion to bring into vision the whole and the entirety of the web and ecology of life and existence on earth and bring into view the whole spectra of the grid of learning, knowledge and wisdom before all humanity as being eternal learners. The Humanion stands in humanics with a vision, of this eternal-view of humanity that all humanity must become one unity of the whole and see themselves as an infinity unfolding itself and all individual human beings of the seven-billion-plus of us on this earth, thus, ought to rise, unite and work together for a Universal State and Government for all humanity on this Mother Earth, the Universal Assembly of the Humanion with its own democratic Legislature, Executive, Judiciary, Financial Jurisprudential Mechanism, Central Bank and Own Currency, that shall become the World Currency under the rule of law and in natural justice.

In this process all the world's peoples or nations work together to bring capitalism under the rule and power and prowess of the law and by bringing an end to pseudonomics re-architecture and re-cast it as Kapitalawnomics and with it seek to bring universal education, universal health service, universal social security to all to begin with and soon establish new Building-Block Foundational Human Rights across the earth, which shall empower all humanity and all individuals, families, networks of families, communities and societies to work together and develop societies in each people towards humanics in which capitalism, its ownership and money and the powers they generate and confer are brought to an end and the world sees the emergence of humanical societies, joining in a grid of a humanical civilisation and in such humanical societies all humans are now equal and at liberty because ownership has been eradicated and replaced there by belongingship.

Such humanical societies in the grid of a humanical civilisation see their home on earth, in the Universe and that Universe is populated by at-liberty and inequality humanity where the economics is humanicsonomics, run as human enterprise and all individuals of humanity run the system of governance themselves working together, being their own High Representatives in humanicsovics as organised People Parliaments where people are the parliaments. Such a vision is what is offered by humanics or the humanicsxian philosophy, humanicsxian political philosophy, humanicsxian political economics, humanicsxian jurisprudence and humanicsxian sociology. Interested about all these? You are welcome to study, analyse, compare, question, assess and evaluate all these published materials. Oh, no, they are not going speak about humanics nor are their establishments going to, even, mention it nor are their universities going to teach any of it. No. That is until you pick it up and assess for the human condition faces extinction, the existence, web and ecology of life on earth face extinction under the monstrosities, brutalities and barbarities of capitalism and the grand thefts and robberies of pseudonomics: all we have is enforced anti-nature across the earth where exist 'normalised' brutalities, barbarities and cruelties of capitalism and pseudonomics: deaths, hunger, malnutrition, suffering of preventable and treatable illnesses and diseases, of poverty, of poverty-social security or destitution where it does not exist, of poverty-wage, of no education, of homelessness, of rough-sleeping and rotten, rotting and decaying selfishness and consuming all under the infinite greed for profiteering and at a cost of wiping out the entire existence, web and ecology of life, including, humanity through absolute disempowered, disenfranchised populations by

representative democracies and their worse counterparts, a system of jingoistic political economics, jingoistic political philosophy and with a 'market' being a jungle where the rich conduct grand thefts, rob and hunt while the rest of humanity are left to pay the highest of price and, along the way, all expressions of the environment are desecrated, degraded, polluted and poisoned, the water bodies, the land bodies and the sky and the air all are polluted and toxification of water, soil and air have begun to create havoc for life and living organisms, causing bio-diversity loss at an alarming rate and magnitude and the natural, geological, ecological, geo-physical and geo-chemical mechanisms, systems and processes began to be manipulated to the point that all these created global warming and climate change.

This is why The Humanion exists. This is why Regine Humanics Foundation Ltd exists. This is why we invite you, the Reader, the Readers, the visionary souls, whose vision is architected not with nano-human time-frame but one with a geological, seismological, astronomical and cosmological scope and magnitude, to support The Humanion, support Regine Humanics Foundation Ltd because humanity, existence, life and web and ecology of life can not be let to be led to the slaughter by capitalism and its pseudonomics. Must we rise and fight this enforced extinction and do tell them that we are not going to just disappear quietly because, let them know that, humanicsxians of the world are here to fight this revolution existentielle. This is a revolution of existence, of human existence and the existence of the entire web and ecology of life and world humanity shall rise to fight this political fight, this revolution existentielle: This is the political fight to free all humanity at liberty and equality under the rule of law and in natural justice and to end all of capitalism's high-cruelties, high-barbarities and high-brutalities for all time so that all forms, manners and kinds of dehumanisations, mechanisations, machinations, manipulations, disempowerments, disenfranchisements, sociology of squalors and sociology of evil come to an end and all this bring an end to human existence as zoohumanity under capitalism and enable, empower and free all humanity to be and do nothing but being and doing humanity naturale. Support The Humanion: Support Regine Humanics Foundation Ltd: No one owns or makes profit out of them for we, truly, are a human enterprise in humanics, which means neither humanics nor the humanicsxians believe in ownership or money and, in today's law, we are a social enterprise. Thank you.:::ω:::

This Is the Body of Work, by Munayem Mayenin, That Has Brought Into Existence the Philosophy and Vision of Humanics

Dehumanisation of Humanity: Volume One: Published: July: 2007: 978-1-4477-1330-2

Mayenin worked and developed the very critique of capitalism and Marxism while at university in which he had envisioned the world's future in humanics

for humanity to reach and achieve liberty and equality for all humanity, which capitalism has continually slaughtered and Marxism failed desperately, even, to understand, let alone, to know or show how to seek and achieve them. Some of these works were published in publications in the early 00s and the volume was published as a book in 2007. There are three other volumes of this planned work, yet to be published.

Humanics The Foundation: Volume One: Published: December 06: 2017: ISBN: 978-0-244-34575-4

This piece of work elaborated the philosophy of humanics and presented the idea of human enterprise and how it works to enable humanity to conduct the human economical endeavours in humanics.

Humanics The Humanicsonomics: Volume Two: Published: June 12: 2018: ISBN: 978-0-244-48334-0

This is the political economics or humanicsonomics of humanics in human enterprise. This volume presents the political economics of humanics and elvisioned world's future as two distinct phases: pre-humanical or Kapitalawnomics phase in which capitalism is saved from pseudonomics and brought under the absolute and complete control and power of the rule of law so to make it serve the people at all times and not the rich and through this phase, humanity brings into existence the humanical Building-Block Foundational Human Rights and end capitalism's Poverty Paradigm, that causes all of the high-cruelties, high-brutalities and high-barbarities, that are inflicted on the vast number of humanity on this earth. Further to this, this work advances the system and mechanism of human enterprise and elvisioned at the end of the development of Kapitalawnomics human societies will have developed enough to be able and equipped to try and seek to bring into existence humanical societies, that will begin to form a grid of humanical societies into a universal humanical civilisation on earth.

The Humanics Elleesium Declaration 2019: The Humanicsxian Manifesto: Published: April 06: 2019: ISBN: 978-0-244-76474-6

This short piece of work nano-summarised the entire body of Munayem Mayenin's works on humanics. This calls on the working humanity of the world to rise, organise and united under new and humanical political forces,

parties and organisations to seek and try to bring about a humanical world movement to lead humanity to equality and liberty.

Humanics The Humanicsovics: Volume Three: To Be Published Later This Year

This volume presents the political philosophy of humanics and the means to deliver that political philosophy by and through humanicsovics, humanical direct form of democracy without party politics whereby each and every individual human being becomes his:her own High Representative and they all run their society's human affairs management together as individuals, working together as scientists and mathematicians without any political parties.

Alphansum Sovereign Necessarius: Published April 14: 2020: ISBN: 978-0-244-58241-8

Although, this large volume is of metaphysical work, it has brought the whole humanical universal view in a harmonious outlook, unifying all expressions, fields, areas and arenas of human existence and in this process this work elvisioned the coming into existence the new branches of science, that has already been mentioned.

Laranska The Anatomy of Fear: Novel: Published: January 2009: ISBN: 978-1-4477-1426-2

No Man's Land's Bloom: Play: Published: May 2010: ISBN: 978-1-4477-0903-9

United Colours of Blood: Screenplay: Published: January 2009: ISBN: 978-1-4477-1615-0

Larantia Poetry of Anatophysiophilosophicamonimayareginata: A Magnum of a Planned Volume of 850 Sonnets About All Branches of Medicine: Currently Having Few Hundred Sonnets: First Published: October 14, 2016: ISBN: 978-1-326-28882-2

In his other major bodies of works, that are yet to be published Mayenin has worked on further in elaborating the psychology and social psychology of the zoohumanity, that capitalism and all the dehumanisations it has inflicted on

humanity through its enforcement of inequality and the absence of liberty. These as yet unpublished works include: Psychology of Zoohuman, Humanical Jurisprudence, Sociology of Evil, Economics of Squalors: The High-Cruelties High-Brutalities and High-Barbarities of Capitalism, Humanical Moral Science, Social Morality Or Good State, Humanical Civilisation: A Universal Grid of Humanical Societies and Colossus Complexus: Eternally Learning Humanity.

Absolutely, Fundamentally and Jubilantly Equal at Liberty. Humanity, Therefore, Is Not and Can Not Be Free Until All Humans are Equals for Only by the Yardstick of This Equality Their State of Being Free Can Be Measured. In Other Words, There Can Not Exist Liberty Unless There Exists Equality Between and Among All Humans and This State of Equality Can Not Come to Exist So Long There Remain Two Groups of Humans: The Powerful and The Powerless: Whereby the Former Controls the Later and Creates, Maintains and Carries Forward the Perpetual State of Inequality: Economically, Politically, Judicially, Constitutionally, Socially, Culturally and Spiritually. To Reach the State of Equality and Liberty, the Task Before Humanity is, Therefore, to Change This State by Taking Away Ownership and Money and, with Them, the Power They Generate and Confer, That Lets One Small Group of Humans, The Powerfuls, Subjugating the Vast Multitude of Humans, The Powerless, Under Their Dictatorship. For Only by Taking Away 'the Gun' of the Power of the Powerfuls, Humanity Can Bring About the State of Liberty, as Well as, Equality at Once: Equality and Liberty Can Not and Do Not Exist Separately But Together and Simultaneously. The world has, apparently, accepted that Capitalism is the High Pinnacle of All Systems and, some still dream that Marxism will rescue humanity from this Killing Mechanism Capitalism, we refuse to subscribe to that. Humanics is the Post-Marxist and Post-Capitalistic World View of What Humanity can be and what it can do and how infinitely better a human condition can be created in a Humanical Society, by eradicating ownership and money and by establishing belongingship in human enterprise, setting all humans at liberty and equality under the rule of law in natural justice with a direct form of democracy, humanics calls it, Humanicsovics, in which, each human soul is her:his own High Representative. In this, Humanics is the Minority Vision and we do not and can not expect millions and billions of people supporting our vision today but We Whole-Heartedly Believe That ONE DAY This Humanity Shall BE ALL HUMANICAL: By When: We Know Not But This: That Being a Monstrous Killing Mechanism Capitalism IS Unsustainable: The World Shall Change One Day and Every Change Begins with an Idea, with a Vision:

We invite you to Envision the Vision and Philosophy of Humanics and Support The Humanion, The Humanion Portable Daily, The Humanion Larnaarch and The Foundation to Keep Taking Forward the Vision and Philosophy of Humanics, to Keep on Challenging Capitalism's Poverty Paradigm, for an Infinitely Better Humanity in an Infinitely Better Human Condition for All Humanity Across Mother Earth.
